

# AggieWorks

Submit your request online and track its progress with our facilities team.

## STEP 1

Navigate to the AggieWorks request portal by visiting [aggieworks.tamu.edu](http://aggieworks.tamu.edu) and log in using the Texas A&M University Single Sign-On (SSO) system.

## STEP 2

Search for or click on an available tile that best matches the type of service needed.

## STEP 3

Complete the short set of questions asking you to describe the work being requested.

## STEP 4

You may attach a document, photo or video to your work request.

## STEP 5

Click to review your work request. If it all looks correct, submit your work request.
