REC ENTRANCE STATISTICS

• Average of 1.2 million entrances each year since opening in 1995

• Average does not include an estimated 300,000 additional annual entrances from groups coming in for special events such as tours, camps, swim meets

• Currently 75% of the Texas A&M student body uses the Rec Center and the services that we provide.

• One day record: 9,192 (August 31, 2009)

• FY14 1-day record: 7,983 (January 22, 2014)
OUR MISSION

The mission of the Department of Recreational Sports is to provide quality programs, services and facilities to a diverse Texas A&M community. We encourage the lifelong pursuit of active, healthy lifestyles and ENHANCE STUDENT DEVELOPMENT BY PROVIDING LEADERSHIP AND EMPLOYMENT OPPORTUNITIES.
The Department of Recreational Sports employs approximately 850 students annually to operate our programs, facilities and services and paid them a total of $2,323,306 + benefits in FY14.

Rec Sports is the largest employer of students on the Texas A&M campus and, therefore, provides many students with the financial aid to fund their education.
The new Physical Education Activity Program Building for the Department of Health & Kinesiology will serve as an ancillary facility for the Department of Recreational Sports. 

OPENED IN: FALL 2013

115,000 SQ. FOOT FACILITY WILL PROVIDE REC SPORTS:

- Gym Space for 6 Volleyball or 4 Basketball Courts
- Gymnastics Room for Gymnastics Sport Club
- Mat Room
- Sport conditioning space for boot camp
- One weight room for the Powerlifting Club
- Meeting space for Student organizations

Overall, even with the upcoming Student Recreation Center expansion, we will still lose some activity and meeting room space.
Providing a much better facility for intramurals and sport clubs

Drop-in recreation has proved to be extremely successful at the Penberthy Rec Sports Complex
THE FUTURE: STUDENT REC CENTER EXPANSION

TOP PRIORITIES OF THE REC EXPANSION INCLUDE:

• Weight Room expansion to accommodate larger student body
